THIS ISSUES DODGY JOKE

Two sisters, one blonde and one brunette, inherit the family ranch. Unfortunately, after just a few years, they are in financial trouble.

In order to keep the bank from repossessing the ranch, they need to purchase a bull so that they can breed their own stock. The brunette balances their cheque book, then takes their last \$600 dollars out west to another ranch where a man has a prize bull for sale.

Upon leaving, she tells her sister, "When I get there, if I decide to buy the bull, I'll contact you to drive out after me and haul it home."

The brunette arrives at the man's ranch, inspects the bull, and decides she does want to buy it. The man tells her that he can sell it for \$599, no less.

After paying him, she drives to the nearest town to send her sister a telegram to tell her the news. She walks into the telegraph office, and says, "I want to send a telegram to my sister telling her that I've bought a bull for our ranch. I need her to hitch the trailer to our pickup truck and drive out here so we can haul it home."

The telegraph operator explains that he'll be glad to help her, then adds, "It's just 99 cents a word."

Well, after paying for the bull, the brunette only has \$1 left. She realizes that she'll only be able to send her sister one word.

After thinking for a few minutes, she nods, and says, "I want you to send her the word, 'comfortable.'"

The telegraph operator shakes his head. "How is she ever going to know that you want her to hitch the trailer to your pickup truck and drive out here to haul that bull back to your ranch if you send her the word, 'comfortable'?"

The brunette explains, "My sister's blonde, she'll read it very slow."

ANOTHER DODGY JOKE

A car breaks down along the motorway one day, so the driver eases it over onto the shoulder of the motorway. He jumps out of the car, opens the trunk, and pulls out two men in trench coats.

The men stand behind the car, open up their coats and start exposing themselves to the oncoming traffic. One of the worst pile-ups in history occurs.

When questioned by police why he put two deviates along the side of the road, the man replied, "I broke down and was just using my emergency flashers!"
